ACCOUNTABILITY

We love our state and we want to leave our families with the opportunities that freedom offers.

Our liberties and our prosperity are being forfeited by career politicians who don't appreciate our liberties, and don't know what makes us prosperous.

The graphic features a large, textured scroll with the words "Life, Liberty and the pursuit of Happiness." written in a cursive font. Above it is a smaller scroll with the text "IN CONGRESS. July 4th 1776. The unanimous Declaration of the thirteen united States of America." The background is a light brown, parchment-like texture. At the bottom left is the "GIOVANNI FOR STATE REPRESENTATIVE" logo, and at the bottom right is a small signature.

Where's the part about
mandatory healthcare,
unfair taxes,
big government projects,
and deficit spending?
